

Do you believe  
in destiny  
or fate  
or whatever  
you call it?

Do you believe,  
that among the  
billions of people  
on this planet,  
there is  
only one person,  
who is born for us?

We don't know  
who,  
where  
or what gender  
they are.

But this sounds  
like a fantasy.  
Like a ladies'  
dream for  
romance.

If you believe it,  
it's like a miracle.  
Nobody will  
answer you.  
Until one day, you  
find them by  
yourself.

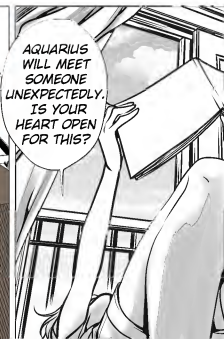

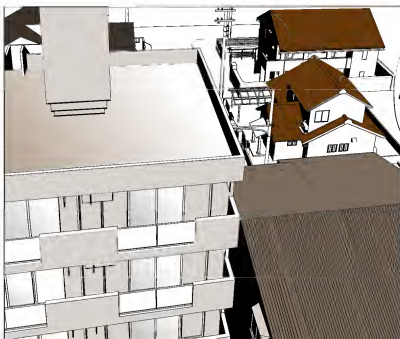

Waiting for the  
right day...

The red thread  
that binds  
them.

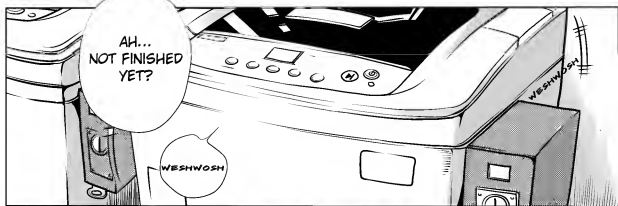

Will bring them together...

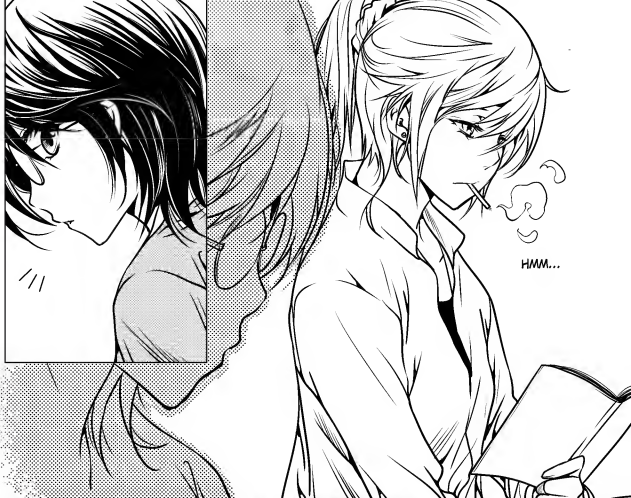

AQUARIUS  
WILL MEET  
SOMEONE  
UNEXPECTEDLY.  
IS YOUR  
HEART OPEN  
FOR THIS?

A girl, why is she smoking?\*

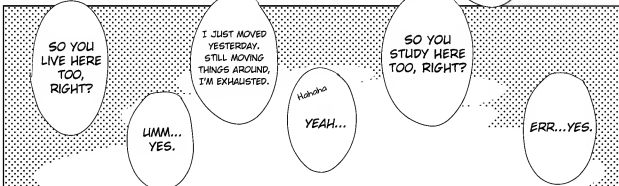

\*TV/ IN THAILAND, A WOMEN SHOULDN'T SMOKE. IT'S NOT GOOD.

COUGH...  
COUGH...

TNV SHE SAID THAT BECAUSE SHE'S OLDER THAN HER.

WHAT YEAR  
ARE YOU?  
IT'S NOT THE  
SAME AS ME,  
RIGHT?\*

Hahaha

Hahaha

I'M ON  
SECOND  
YEAR.

MY NAME  
IS MEW,  
AND YOU?

AHH...  
MY NAME  
IS DONATH.\*

YOUR NAME  
SOUNDS TASTY.

THANK YOU.

Hahaha

Hahaha

I'M JUST  
KIDDING.  
DON'T MIND ME.

YOU SEEM KIND  
OF NERDY.  
YOU MUST BE  
SMART, RIGHT?

IT'S A GOOD  
THING.  
YOUR PARENTS  
MUST LOVE YOU  
SO MUCH,  
UNLIKE ME.  
I ONLY KNOW  
HOW TO FOOL  
AROUND.
